

The 'Island Safari II Royal' is a 32 meter ,specially designed liveaboard boat with a wooden hull and a triple deck. The main saloon is where the dining hall is situated and a scrumptious buffet is spread for meals and is a comfortable lounge where one can share views with fellow divers or just unwind.

Accommodation on board is available in double occupancy rooms. There are 10 Cabins in the accommodation deck with a restroom having hot and cold running water available at all times. The cabins are centrally air-conditioned with individual controls and are decorated with a traditional wood finish. There is also a music/audio control for each room in case you want to relax after a long day diving. The boat is also equipped with a television, DVD player, a library and board games. Sumptuous Meals will be provided on board with refreshments. One night dock at the beach island for beach barbeque.
