ROUTE

The Route Manta Madness Maldives offers an unforgettable journey that starts in North Malé Atoll. Here, you can explore amazing dive spots near the capital city and dive into locations filled with large pelagic predators. Experience the thrill of snorkeling with manta rays in Hanifaru Bay & diving in the beautiful waters of Maldives, on this voyage onboard MV Sachika.

MANTA MADNESS

DIVE SPOTS

Baa Atoll – Hanifaru Bay's Manta Spectacle, a unique experience that takes us to the UNESCO site. Here, hundreds of manta rays gather annually to feed, creating a mesmerising spectacle of grace and wonder. Keep your eyes peeled for the gentle giants of the ocean, the magnificent whale sharks, snorkelling amongst the mantas in this underwater haven.

DIVE SPOTS

Rasdhoo Atoll – Dive into Deep Channels and Pelagic Paradise
As we venture to Rasdhoo Atoll, brace yourself for thrilling encounters and a kaleidoscope of marine life beneath the surface.

Ari Atoll – Colorful Coral Reefs and Marine Abundance

Get ready for dives filled with colors and vibrant marine life. Breathtaking corals, reef fish, sharks, and graceful turtles, making each dive an unforgettable adventure.

Back to Malé – Farewell to a Memorable Voyage

On the final day, we return to Malé, cherishing the last breathtaking dives.

This is in brief the route Manta Madness Maldives. Join us.

LOVE, CARE AND PROFESSIONALISM

There are at least, 4 guides onboard.

A maximum of 6 divers per guide.

Some dives are relaxing and meditative, others can be challenging for some of us due to the currents or the rough seas.

For us safety always comes first: we say it and we mean it!
